Join us for a kids craft fundraiser benefiting the  
Mississippi Valley Child Protection Center (MVCPC)

**Want to help?**

**Kids:** We need your help making crafts to sell! In October we will gather here at the SOTC to recycle crayons to sell at this event. The plan is to melt and mold crayons, make rubbing cards, coloring pages, gift bags and other art using crayons. Have another idea of something to make as part of the group or on your own? Talk to Kathy.

**Parents:** If your child/children would like to creating something, talk to Kathy. Cash donation also accepted for Crafting for a Cause. Come support us on the 30th!
